Grab The Games'.NET Voice is a Hotkey App that lets you manually change Voice Types, Voice Volume, and Speed for the NPCs in all of Grab the Games' Games. This app was designed to be used with any of Grab The Games' small collection of 6 different games (Tanks, Drums, Space, Street Fighter, Sports, and Housewife), and support any song you may want. The app has a few limitations. Right now, the app can only be used with Tanks, Drums, Space, Street Fighter, Sports, and Housewife (SMS). Though it is in development, it is possible that this will change. More games may be added, allowing for more customization. Download it today, and let's help make your neighbors and co-workers into the best that they can be. Starfinder is a fast-paced, egalitarian, multi-genre roleplaying game based on the best-selling sci-fi space opera, the Star Wars Saga. It takes place in the Milky Way Galaxy, where most of humanity has been wiped out by a deadly plague, leaving only a few thousand survivors clinging to the fringes of civilization. Humanity has a few thousand years to rebuild, and they need you. You, the players, are among the leaders of the fractured galaxy's ragtag assemblage of crews, trading companies, bounty hunters, and pirates, all of whom are struggling to survive and carve out a place for themselves in a brutal new world. As a Starfinder player, you'll explore exotic planets, take on dangerous missions, and delve into intergalactic politics, but at the heart of every adventure is the question of who you are and why you're here. You are more than just a hero of the stars. You are the makers of the future.
